

DEAR FRIENDS AND PARTNERS

THANKSGIVING TIME

Once again this is the time to look back and remember all the blessings Good Lord God showered us with. This letter is especially focused on Radio LOGOS ministry in Slovakia and Czech Republic. By the end of the year TWR will complete Klara's recordings, which she completed in October.

RADIO LOGOS <http://www.radiologos.sk> is well established among small format internet radios. LOGOS is on the 60th place among from over 100 commercial monitored radios. Here are few letters from grateful listeners:

✉ **Good afternoon,**

Every morning when I wake up I listen to your radio. It gives me energy and a good mood for the whole day. I cannot imagine my normal day without your radio. My whole family also listens to your radio. I wanted to ask for a few souvenirs from your wonderful radio for my family. With thanks and best wishes, your regular listener.

✉ **Greetings in the name of our Lord,**

I am a believer living in Serbia, from Kova ic where numerous Slovaks live. Thank you that you are broadcasting the Word and music glorifying God. Blessings to all who make this broadcasting available to us.

*Glory to God. God bless,
Bobcik Martin*

✉ **Greetings to you,**

I am 30 years old and I am involved in youth ministries. I teach religion in Middle schools and since we do not have any official textbooks, I have to look for different useful materials. Two of you publications are very handy. I came across your web pages by pure chance and it is great encouragement and joy. I am listening to your broadcast as much as I can. Blessings for all days that are ahead of you.

Miroslav

✉ Evening greetings,

I found your broadcasting and I am very pleased. Now I listen together with my husband. The Word and music are a blessing to us. I would like to know if you are planning live broadcasting. What really touched us? To hear clear teaching is not so common these days. When we think about broadcasting content and selection of Christian music, your programs speak to believers as well as to those who have never heard Good news. Since the first time we discovered Radio Logos, it became our daily source of spiritual nourishment. It is rich food and we joyfully share this blessing with others. Our prayer is that you will be inspired and strong to serve others. We pray for your energy and resources to continue. Best wishes. Our prayers are with you and for His word to reach believers as well as nonbelievers.

HISTORIC ANNIVERSARY OF THE VELVET REVOLUTION

This historic event was celebrated on November 16th, the eve of the 25th anniversary. Antonín Dvořák's "From the New World Symphony" was performed by Czech Philharmonics at Carnegie Hall in NYC and next day at the Washington Cathedral in Washington D.C.. Tribute to former Czech president Havel was part of unveiling his bust in US Congress: <http://www.voanews.com/media/video/2527321.html>

While the top of the Czech government representatives were celebrating in the US the Czech president with five presidents of former communist countries celebrated here in Prague. Since the Czech president speaks too much, uses dirty language, supports Russia's Putin many thousand students demonstrated against him. Eggs and tomatoes were thrown at him however, one of the eggs hit German president. Read and watch this event: <http://www.bbc.com/news/world-europe-30086495>

It has already been 25 years since the fall of communism. This event opened the door to numerous missionaries. For us it was the answer to prayers and the impulse for us to leave our secular job and enter full time ministry in Czech Republic.
